The image consists of four square panels arranged in a 2x2 grid. Each panel features a complex, overlapping pattern of concentric arcs in various colors: pink, yellow, purple, teal, and light blue. The arcs are arranged in a way that creates a sense of depth and movement. In the center of each panel is a large, bold black number. The numbers are 2, 4, 6, and 8, arranged from top-left to bottom-right. The background of each panel is white, and the arcs are semi-transparent, allowing the colors to blend and create new shades where they overlap.
