An abstract graphic featuring a central rectangular area with a light pink background. This area is overlaid with a series of wavy, horizontal lines in shades of light blue, white, and yellow. The entire composition is framed by a thick purple border. The number 10 is displayed in a large, bold, black font in the center of the pink area.

10

An abstract graphic featuring a central rectangular area with a light pink background. This area is overlaid with a series of wavy, horizontal lines in shades of light blue, white, and yellow. The entire composition is framed by a thick purple border. The number 20 is displayed in a large, bold, black font in the center of the pink area.

20

An abstract graphic featuring a central rectangular area with a light pink background. This area is overlaid with a series of wavy, horizontal lines in shades of light blue, white, and yellow. The entire composition is framed by a thick purple border. The number 30 is displayed in a large, bold, black font in the center of the pink area.

30

An abstract graphic featuring a central rectangular area with a light pink background. This area is overlaid with a series of wavy, horizontal lines in shades of light blue, white, and yellow. The entire composition is framed by a thick purple border. The number 40 is displayed in a large, bold, black font in the center of the pink area.

40

An abstract graphic featuring a central rectangular area with a light pink background. This area is overlaid with several wavy, horizontal bands of color: light blue, white, yellow, and light purple. The entire composition is framed by a thick, solid pink border. The number 50 is displayed in a large, bold, black font, centered within the pink rectangular area.

50

An abstract graphic featuring a central rectangular area with a light pink background. This area is overlaid with several wavy, horizontal bands of color: light blue, white, yellow, and light purple. The entire composition is framed by a thick, solid pink border. The number 60 is displayed in a large, bold, black font, centered within the pink rectangular area.

60

An abstract graphic featuring a central rectangular area with a light pink background. This area is overlaid with several wavy, horizontal bands of color: light blue, white, yellow, and light purple. The entire composition is framed by a thick, solid pink border. The number 70 is displayed in a large, bold, black font, centered within the pink rectangular area.

70

An abstract graphic featuring a central rectangular area with a light pink background. This area is overlaid with several wavy, horizontal bands of color: light blue, white, yellow, and light purple. The entire composition is framed by a thick, solid pink border. The number 80 is displayed in a large, bold, black font, centered within the pink rectangular area.
